Dear Alex Barrow:

Congratulations! You've adopted Samantha and made a happy pet even happier!

We want to provide you with peace of mind when it comes to protecting you and your new best friend, which is why Pethealth Humane Society (Demo) is offering you a ShelterCare 30 Day Gift of Insurance - all you need to do is confirm your coverage online. **When you arrive home, check your inbox for an email from ShelterCare.**

You must confirm your ShelterCare 30 Day Gift of Insurance within 3 days – if you do not confirm YOU WILL NOT have any insurance coverage for your newly adopted pet.

When you open your email from ShelterCare.com, be sure to click on the link which will direct you to your personal web page. You can confirm your coverage as well as find your policy documents, terms and conditions, and claim forms.

Don't get caught with unexpected costs if you have to see a vet for accidents or certain named diseases that Samantha may be exposed to.

If you do have to take your pet to your veterinarian, please bring your policy documents with you and show them to your veterinarian to ensure you have the necessary coverage BEFORE you commit to any treatments.

Sincerely,
