Important Policy Info

Coverage Requirements & Limits

Activation

- Policies must be confirmed by each adopter in order for coverage to be in place
- The 24PetWatch Gift of Insurance goes into effect 1 minute after midnight the second night after adoption (regardless of when confirmed)

Coverage

- The 24PetWatch Gift of Insurance is a Named Peril Policy - only the accidents and illnesses listed on the Coverage Chart are available for reimbursement
- Pre-existing conditions are not eligible for reimbursement - signs and symptoms denote onset date

Messaging the 24PetWatch Gift of Insurance

Adoption Staff to Adopter – Messaging

- Your organization, in partnership with 24PetWatch Pet Insurance Programs, is providing a 30-45 day gift of pet insurance for the newly adopted pet; covering up to \$750 of selected treatments (with a one time deductible of \$75)
- 24PetWatch Pet Insurance Programs will send an email with an activation link and policy documents once the adoption is complete
- The Gift must be confirmed within 7 days of the adoption for the policy to be valid - there are 3 ways to confirm – email, phone, web
- If the adopter has not received an email from 24PetWatch Pet Insurance Programs within 48hrs. of adopting their new pet, they should alert their Adoption Counselor to have their email resent
- There is a 2 day waiting period from the point of adoption to when the policy takes effect (The coverage effective date is always 2 days following the date of adoption as long as the coverage is confirmed within 7 days.)
